

CITY OF BAINBRIDGE ISLAND
NON-MOTORIZED TRANSPORTATION ADVISORY COMMITTEE (NMTAC)

Special Meeting
November 30, 2016
7:00 PM -- 9:00 PM

City Hall Council Chambers
280 Madison Ave N., Bainbridge Island, Washington

AGENDA

Islandwide Transportation Plan review.

This meeting will be the last chance for NMTAC and community members to provide input to the NMTAC prior to the City Council public hearing and review of the IWTP on December 6, 2016. Public comment will be welcomed during the entire meeting. Please respect that we have a lot of ground to cover in a short period.

45 minutes

- Review Facilities Map: ensure that proposed facilities on IWTP maps match the locations and standards called for in the plan. Shoulder widths, bike lanes, separated pathways, school zone plans, traffic calming in NSC's (neighborhood service centers), intra-island trails, sidewalks, Sound to Olympic Trail and connecting pathways will be reviewed in detail. Work to prioritize projects across each of the various areas mentioned above

45 minutes

- Review language in the plan: review standards called for in the plan.

30 minutes

- Develop final recommendations for NMTAC review.
