In the event that any audit or inspection identifies any discrepancy in such financial records, the Service Provider shall provide the City with appropriate clarification and/or financial adjustments within thirty (30) calendar days of notification of the discrepancy.

5. INDEPENDENT CONTRACTOR

A. The Service Provider and the City understand and expressly agree that the Service Provider is an independent contractor in the performance of each and every part of this Agreement. B. The Service Provider shall comply with all federal, state and local laws and ordinances applicable to the work to be done under this Agreement.

C. Violation of this Section 6 shall be a material breach of this Agreement and grounds for cancellation, termination or suspension by the City, in whole or in part, and may result in ineligibility for further work for the City.

7. TERM AND TERMINATION OF AGREEMENT

A. This Agreement shall become effective upon execution by both parties and shall continue in full force until December 31, 2015, unless sooner terminated by either party as provided below.

B. This Agreement may be terminated by either party without cause upon thirty (30) days' written notice to the other party. SCOPE OF SERVICES

The *Smiles for Life* program is a preventive dental program for seniors operating out of the Waterfront Park Community Center. The program offers affordable routine dental health maintenance services – oral assessments and cancer screening, assistance in finding and referral to local dentists, simple and complex dental cleanings, periodontal therapy and maintenance, fluoride treatments and other preventive procedures, oral health and individualized dental hygiene instruction, outreach and advocacy.

The grant request is to fund 110 professional staff hours to provide advocacy services to improve access to local emergency and restorative dental care. Developing relationships with local dental providers to bring down the cost of dental care for low income clients is one important aspect of our advocacy and outreach. The staff time will also be used to establish and provide a liaison between primary care physicians, dentists and clients. This relationship building encourages other professionals to be responsive to improving access to oral health care in the community.

Because of changes in state funding for adult dental coverage under Medicaid effective Jan. 1, 2014 and because of projected outreach efforts on behalf of the *Smiles for Life* program, Smile Partners expects a greater demand for its services at the Waterfront Park Community Center in 2014. As a result, more patients will be in need of referrals and advocacy, though Smile Partners expects to absorb the cost of these additional case management hours to be covered from other sources. Meanwhile, it hopes to secure grants from Rotary, the Kitsap Community Foundation and Grace Episcopal Church to make capital improvements to its operatory to better serve its patients. Some staff hours spent coordinating these improvements to sustain its capacity to provide affordable dental hygiene services may also be charged to this contract.
