MULTI-MODAL TRANSPORTATION ADVISORY COMMITTEE (MTAC)
April 17, 2019 Meeting
7:00 – 9:00 PM
OfficeXpats
403 Madison Avenue North, Suite 240
Bainbridge Island, Washington

AGENDA
Key: (A) Actionable, (I) Informational

7:00 Administrative
• Call to Order – Erin Thomasson
• (A) Acceptance or Modification of Agenda – MTAC Members
• (A) Approval of March 3, and March 13, 2019 MTAC Meeting Minutes – MTAC Members
• (I) Appointment of Monthly Secretary
  ➜ April Meeting: Lief Horwitz
  ➜ May Meeting: Robert Shulock
  ➜ June Meeting: Shannon Glass
  ➜ July Meeting: Don Willott
  ➜ August Meeting: David Freeburg
  ➜ September Meeting: Demi Allen
If you are unable to attend the meeting for which you are secretary, please switch with another committee member and advise Chair.

7:15 Public Comment: Please keep all comments to two minutes. Chair will maintain clock and advise speaker.

7:25 Winslow Hotel Project Planning Update – Shannon Glass

7:40 Hildebrand Project Update: (A) Two motions for Vote presented by Don Willott.

7:55 City Staff Report Out – Mark Epstein & Chris Hammer

8:15 Liaison Report Outs – Joe Deets, Leslie Schneider (City Council Liaisons), Ken DeWitt (Parks District Liaison).

8:30 Review Updated Work Plan Based on Council Feedback – MTAC, Liaisons & COBI Staff

9:00 Adjournment – Erin Thomasson
MULTI-MODAL TRANSPORTATION ADVISORY COMMITTEE (MTAC)

March 3, 2019
Annual Retreat
Council Conference Room
280 Madison Ave North
Bainbridge Island, Washington

Minutes

Attendees: MTAC members: Lief Horwitz (Chair), Erin Thomasson, David Freeburg, Robert Shulock, Don Willott, Demi Allen, Shannon Glass; City staff: Mark Epstein, Chris Hammer; Council members: Leslie Schneider, Joe Deets; Public: Susan Loftus

Retreat Objectives:
- Review 2018 MTAC accomplishments & lessons learned
- Revisit COBI vision for multimodal transportation as reflected in the Comprehensive Plan
- Discuss 2019 COBI Council and MTAC multi-modal priorities and collaborative opportunities
- Outline a strategy and determine champions for 2019 priorities and collaborative opportunities
- Elect new MTAC Chair

9:00 Administrative
- Call to Order -- Lief Horwitz
- Review and Acceptance or Modification of Agenda -- MTAC Members
  - Agreed to include review of COBI's current vision for the transportation system as reflected in the Comprehensive Plan, to provide the framework for our discussions.

9:15 Public Comment
Susan Loftus from the Bainbridge Mobility Alliance emphasized the importance of an effective consensus-building process around the vision for transportation infrastructure on the island. She also noted the importance of “regreening” transportation infrastructure. Also noted the need for a “map” of stakeholder interests and priorities, as a way of finding opportunities for win-win solutions.

9:30 Review 2018 MTAC Accomplishments and Lessons Learned
Highlights:
- Recommendations for Ballot Measure developed and endorsed
- Bainbridge Island Greenway progress (BI segment of STO Trail)
- Shoulder improvements on Miller Road and Fletcher Bay Road
- Winslow Grove Trail
- Collaboration with BISD and Parks (safe routes to school, Sakai Park trail connection)
- Engagement with SR 305 planning process
- Olympic Drive project progress
• Lessons learned from Levy process
• Lots of positive outcomes from the process – highlighted the need for community consensus on how we implement the Transportation Element of the Comprehensive Plan
• Communication/education to public regarding the multimodal transportation plan and the overall context for the Levy was inadequate
• The way the ordinance was written did not set the table for success – we will be able to create an ordinance people feel better about supporting

10:15 **2019 Council and Committee Multi-Modal Priorities and Collaboration Opportunities**
The committee discussed key initiatives for 2019 and how to implement them. The outcomes from that discussion are reflected in the 2019 Priorities worksheet. A draft worksheet will be distributed and finalized for approval at the next MTAC meeting. All members were asked to provide input to Erin prior to March 8, 2019. The final draft worksheet, which will be used in the March 13, 2019 meeting discussion will be attached to these minutes.

12:15 **Reflections and Next Steps**
Lief thanked the committee for support during his time as chair and for active participation in the retreat.

12:45 **Election of New MTAC Chair**
Erin Thomasson was nominated as chair, and the committee unanimously endorsed her election as chair.

The retreat was adjourned at 12:55 pm.

Erin Thomasson, Chair 04/17/19
MULTI-MODAL TRANSPORTATION ADVISORY COMMITTEE (MTAC)

March 13, 2019
Council Conference Room,
280 Madison Ave North
Bainbridge Island, Washington

MINUTES

7:00 Administrative
- Call to Order – Erin Thomasson, All MTAC Members in attendance, plus Leslie Schneider, Joe Deets, Chris Hammer, and Mark Epstein.
- Acceptance or Modification of Agenda – Don Willott moved to add a discussion for the Hildebrand project and a potential motion.
- Approval of outstanding January 9, and March 3, 2019 MTAC Meeting Minutes moved to April meeting.

7:10 Public Comment – Erin Thomasson read a public comment from John Grinter.

7:20 City Staff Report Out – Mark Epstein & Chris Hammer: Olympic Drive project is imminent. MTAC members are requested to participate in public outreach. Various times for support and volunteers were agreed upon.

7:45 Committee Discussion – MTAC, Liaisons & COBI Staff
- Review and approval of “Responsibilities Spreadsheet”: Committee reviewed the most recent version and agreed to use it as a working document.
- Committee will present to the City Council our Work Plan on April 9th and will need to get presentation materials to Roz by 3/20/19.
- Erin, Lief, and Mark will take the lead in assembling materials and will conduct presentation on April 9th.

8:45 Liaison Report Outs – Joe Deets, Leslie Schneider (City Council Liaisons)

9:00 Adjournment – Erin Thomasson

Erin Thomasson, Chair 04/17/19
BACKGROUND: I believe the MTAC would like to support development of the retention pond & project area in an integrated manner to enhance the look & feel of a linear park. This could unite Ericksen & Hildebrand with a sense of place which benefits the Hildebrand Project and the surrounding neighborhood. Part of the desire would be to make the vicinity attractive for walking, cycling, & using transit. Enhancements in the vicinity could be separate projects funded by the City & other partners, not funded by this development.

It is my understanding that the developer is designing for possible pedestrian & bicycle facilities along the Ericksen / Hildebrand ROW, which will be part of a revised permit submission, and which the MTAC would likely support. This is expected to again go to the Design Review Board and result in a second comment letter from the Development Engineer.

It is my understanding that the Hildebrand Project would then be coming back to the MTAC for comment, so these motions are intended to help us make informed recommendations for the permitting process, and other recommendations we might choose to make to Council & staff.

I suggest the following motions for consideration at our 3-17 MTAC meeting:

MOTION 1: Request that staff research to determine ownership and conditions which now exist for the retention pond on Hildebrand Project property.
**MOTION 2:** Request that staff explore possible mechanisms to provide public access encircling the retention pond in the Hildebrand Project, including access between Ericksen & WSDOT rights-of-way.

**MOTION 3:** Request staff & developer consider providing additional easement adjacent with the SR 305 right-of-way to allow flexibility of design where future sections of the Sound to Olympics Trail are planned and extension of linear park is desired.
