The Chair welcomed LTAC members and called the meeting to order at 6:03pm. She advised that, a) public comment will not be taken, and b) this meeting is a check-in in preparation for the work ahead.

Discussion

It was noted the City has an award total of \$350,000. Fourteen requests were made for those funds, totaling \$667,155. Members commented on the increase in detail provided by the applicants in this round compared to those presented last time. Because some of the applications are linked together, it was agreed that the Chair will request information to enable Members to better understand that linkage.

In terms of the amount of time to be allocated for each applicant, it was agreed that a hard stop will be made at 15 minutes. Applicants can lead with a presentation, but they are encouraged to keep it short (preferably three minutes, but a maximum of five) to enable sufficient time for questions and answers.

Upcoming Meeting

The next meeting is scheduled for Wednesday, November 3rd, from 4:00 pm to 7:00 pm, for the applicant presentations.

Adjournment

The meeting was adjourned at 7:00 pm
