**RECOMMENDED MOTION:**

I move to award the contract for the Waterfront Park Bridge Repair Project to Redside Construction, LLC, in the amount of \$141,536.50.

**SUMMARY:**

City Council to consider contract award for the Waterfront Park Bridge Repair Project.

**FISCAL IMPACT:**

<b>Amount:</b>	\$141,536.50
<b>Ongoing Cost:</b>	
<b>One-Time Cost:</b>	
<b>Included in Current Budget?</b>	Yes

**BACKGROUND:** The bridge is located in the Winslow Ravine of Bainbridge Island's Eagle Harbor and links the Waterfront Park to the Washington Sate Ferry terminal. The three-span structure is approximately 130-feet long and is supported by timber piles as it crosses the ravine. The date of the original construction is unknown. The bridge provides pedestrian access to the ferry terminal in addition to carrying importation utilities, such as a water main and sewer main, across the ravine.

The Waterfront Park Bridge Repair Project consist of replacing the decking, railings, bollards, and lights on the existing bridge. Bids were solicited through the area newspapers, Daily Journal of Commerce, and the City's bids & awards webpage and listserv.

The bid opening was held Thursday, August 23, 2018, and four bids were received. Staff has reviewed the bid documentation and contractor's qualifications and recommends that the City Council award this contract to the apparent low bidder, Redside Construction, LLC, in the amount of \$141,536.50.
