

WEAR A MASK. IT'S THE LAW! COVID-19

PER STATE HEALTH ORDER 20-03, a facial covering must be worn in both indoor and outdoor public spaces (when you're within six feet of people outside your household) to prevent the spread of COVID-19. Thank you for doing your part to keep our community safe and our businesses open.

DO wear a fabric mask safely.

Tighten the loops or ties so it's snug around your face, without gaps.

Mask should cover from just under the bridge of your nose to under your chin.

- ✓ Always wash hands before and after wearing a mask.
- ✓ Use the ties or loops to put your mask on and to pull it off.
- ✓ Don't touch the front of the mask, especially when you take it off.
- ✓ Wash and dry your cloth mask daily and keep it in a clean, dry place.
- ✓ Remember that masks offer only limited protection and work best in combination with hand washing and physical distancing.
- ✓ Stay home if you are sick!
