

CITY OF
BAINBRIDGE ISLAND

HELP US CREATE A SUSTAINABLE TRANSPORTATION PLAN FOR BAINBRIDGE ISLAND!

The City of Bainbridge Island has set a goal to **reduce carbon emissions by 90% by 2045 and improve safety and mobility for all.** To accomplish this, we need your input as we create the Sustainable Transportation Plan.

Join us for a livestream event on
THURSDAY, AUGUST 20
AT 7:00 PM

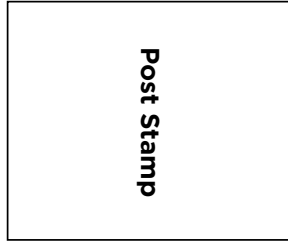

SustainableTransportationBI.com

The project team will provide an overview of the work so far, and you'll have a chance to ask questions and share your feedback!

If you can't join us virtually, you'll be able to watch a recording of the presentation on our website. And you can also visit the website to share your values and vision for the Sustainable Transportation Plan.

City of Bainbridge Island
280 Madison Avenue North
Bainbridge Island, WA 98110

MY BIG IDEA IS...

YOUR IDEA HERE

- 1. WRITE YOUR IDEA** Tell us in the space above!
- 2. SNAP A SELFIE** Pose with your idea!
- 3. EMAIL OR POST ON SOCIAL MEDIA** Post with #COBbigidea or email mepstein@bainbridgewa.gov

Which mobility values matter most to you? Check 3 boxes (and remember to drop this card in the mail or at City Hall).

<input type="checkbox"/> Sustainability	<input type="checkbox"/> Improving health	<input type="checkbox"/> Affordability	<input type="checkbox"/> Having good options	<input type="checkbox"/> Easy to use	<input type="checkbox"/> Well-maintained system
<input type="checkbox"/> Increasing access to opportunities	<input type="checkbox"/> Supporting the economy	<input type="checkbox"/> Getting to where I need to go in less time	<input type="checkbox"/> Regional connections	<input type="checkbox"/> Safety	<input type="checkbox"/> Comfort

THE BAINBRIDGE ISLAND SUSTAINABLE TRANSPORTATION PLAN WILL DEFINE OUR MOBILITY FUTURE.

What's the timeline for this work?

What matters most to you?

Our shared values will be the foundation of the Sustainable Transportation Plan. We will use them to guide decisions and make investments that support our vision. We want to know what's most important to you when it comes to mobility on Bainbridge Island.

Mobility Values

Tell us your top three mobility values by checking the boxes on the other side.

What's included in the plan?

- Goals and targets to measure our progress toward a clear vision
- Technical analysis to identify opportunities based on Bainbridge Island's past plans and your ideas
- Recommendations for priority projects, programs, and policies
- A funding and implementation plan to help get it all done

How can you stay involved?

- We're updating **City Council** monthly, usually at the third Tuesday study sessions. Tune in and learn what's new.
- The **Sustainable Transportation Task Force** is made up of 20 volunteers who will meet regularly throughout the project. Agendas and notes are available on the project website, and the public is welcome.
- Sign up for project email updates on the Notify Me page at bainbridgewa.gov/List.aspx
- Visit the project website for current news at SustainableTransportationBI.com
