**I hereby authorize the City of Bainbridge Island to contract with a firm of the City's choice to review the above referenced permit application per the below described procedures.**

Applicant's Signature: \_\_\_\_\_ Date: \_\_\_\_\_

The initial deposit amount for Third-Party Review fees will be due at time of submittal. These fees are in addition to normal permit review fees. If the Third-Party Review cost is estimated to exceed the initial deposit amount, then the City will notify you and require the additional amount be deposited prior to authorizing the Third-Party Review to proceed. All costs for Third-Party Review must be paid before the permit is issued. You will be reimbursed any portion of the deposit not expended on the Third-Party Review upon issuance/withdrawal/cancellation of the associated permit. Changes in site plans, design elements, or the technical analysis subject to this Third-Party Review may result in requiring an additional Third-Party Review.
