### MYN Critical Steps Post-Earthquake

1. Take care of yourself and your loved ones
2. Protect your head, hands, feet
3. Shut off propane
4. Shut off water at the main valve
5. Post OK/HELP sign at your window, door, or someplace visible from your street
6. Have fire extinguisher at the ready
7. Check in at neighborhood gathering point
8. Organize response teams to check on neighbors who haven't checked in at the gathering point
9. Report back to gathering point
10. ***Your civic duty begins! Send a designee to the closest Disaster Hub with your street's status.***
