NOTES:

The City has adopted reserve policies for the General Fund (Fund 001) and the Water, Sewer and Storm and Surface Water Funds (Fund 401, Fund 402, Fund 403, respectively). The reserve amounts were calculated based on the policies in Section 6 of Resolution No. 2016-19. Operating expenses used in the calculation were taken from the 2016 adopted budget, and capital assets used in the calculation were taken from the 2015 CAFR. These targets will be updated once the 2017 adopted budget and 2016 CAFR are finalized.

2016 ending fund balances are not finalized and are subject to change through the end of April 2017
